

# Carrollton Texas Home Storage Center

1100 West Jackson Road, Carrollton, Texas 75006

Business Office: 972-242-8597

Fax: 972-245-9095

---

The Carrollton Home Storage Center is a service of *The Church of Jesus Christ of Latter-day Saints* and open to the public. Patrons may package selected dry food for long-term storage and personal or family use.

## **Hours of operation:**

**Closed: Monday, Friday & Saturday**

**Tuesdays & Thursdays::** 9:30 AM – 2:30 PM **BULK & PREPACK SALES ONLY**

**Wednesdays: WALK-IN DRY-PACK PACKING ONLY**

**Session I 9:30 AM**

[Each is limited to the first 12 persons arriving]

**Session II 11:30 AM**

**Payment is accepted in the form of cash, check, and credit/debit card.**

## **Product Packing Notes:**

Walk-in patrons may package any products on our order form at one of the two sessions listed above.

- A complete list of available products may be downloaded from <http://providentliving.org> under the links: “Becoming Self-Reliant”; “Food Storage”; “Home Storage Order Form”, as either an Excel® or PDF®.
- No appointment is required for the Wednesday packing sessions listed above.
- Packing is done in #10 cans, or mylar® sealed pouches.
- Wednesday packing patrons may be limited to 8 cases (48 cans/pouches) to accommodate the group in the time allotted.
- No open-toed shoes or flip-flops should be worn to the Home Storage Center.

## **Bulk and Pre-packaged Sales:**

Tuesdays and Thursdays are set aside for the purchase of product by the bag or box from 15-35 lbs. in weight. Also available are packaging materials such as cans, lids, boxes, foil pouches, labels and oxygen absorbers for those who may have their own can or pouch sealers.

Pre-packaged items can also be purchased on these days. See the lower left corner of the order form for the pre-packaged items.

## **Special Notes:**

Patrons should anticipate having to lift and load bags or cases of product weighing up to 40 lbs. If not physically able to do this, they should have someone come with them who can do this for them, since we do not always have volunteers who are able to do this for the patron. Orders are not pre-loaded, but instead orders are pulled and loaded when the patron arrives to make the purchase.

Patrons with large orders requiring the use of a forklift to load pallets of cans or product will be assisted by trained personnel. Patrons should be aware of the volume and weight limits of their vehicle and bring needed tie-down or tarp covers in case of wet weather.

Any questions regarding the Home Storage Center may be directed to the managers:

**Gary and Jean Beus, Managers**

**972-242-8597 during business hours above**
